

The Chemical Society of Japan Globalization Campaign

New Membership Campaign

At the CSJ, we have been working hard to promote the globalization of the society since 2014. As part of our efforts, we are launching a "New Membership Campaign" to encourage scientists outside to Japan to join and enjoy the benefits of our society and to promote international scientific communication and collaboration. Applications are open to non-Japanese citizens resident outside Japan.

Benefits

- ◆ No entrance fee
- ◆ Special reduced annual membership fee:
Free for the first year, 3,000 JPY (Student 1,000 JPY) from the second year on.
- ◆ Free access to CSJ journals (*Chemistry Letters* and *Bulletin of the Chemical Society of Japan*).
The number of downloads will be limited.

How to Join

Please access the following URL,
