● Notice for Poster Presenters

- The poster panel size is H210cm x W90cm, and the color of the panel is white.
- The organizing committee will provide a Presentation No. (B5 horizontal) and thumbtacks for putting up your poster.
- Use a large font so that the poster can be read easily from a distance from 2-3 meters.
- Your poster must be able to be understood without the need for oral explanation. Include the subject, institutions, authors, summary, introduction, result, discussion, and conclusion, and use figures, tables, photos, etc. clearly. Presentation with only data will not be permitted.–
- For any content that cannot be included in your poster, you may prepare supplemental documents for distribution.
- Please complete your poster before the Annual Meeting and prepare elaborately for your presentation, such as for discussion and reviews.

● Others

- If you would like us to issue a document certifying the delivery of your presentation at the poster session, you will need certification by the third party. Get the application form from the CSJ website (<https://www.chemistry.or.jp/application/certificate/research.html>) [Japanese language only] and fill it out. Then apply by following the application instructions on the website.
